5<sup>th</sup> April 2019

Dear parents/carers,

The children are interested in our school getting involved with Forest Green Rovers FC Ambassadors Scheme.

Every year, FGR recruit a team of new young ambassadors who promote the club and get the message out about all the things they do on and off the pitch.

The young ambassadors get to see how sustainability works in practice at the stadium. They then share their experiences with their families and school.

Ambassadors let people know about matches and write reports on their experiences at matches.

They learn how to be an advocate, standing up for something they believe in.

Each ambassador can invite one of the FGR players to visit their school to talk about their career, role models, and the importance of hard work and dedication.

At the end of the year, FGR will look at the ambassador's achievements, give them feedback and recognise any exceptional effort over the season.

If your child wishes to apply to be an ambassador for our school, they need to write a letter of application to Vinny outlining why they think they would be suitable for the role.

Vinny will then choose the top 3 applicants and interview and decide who will be the ambassador for our school.

The deadline for the application is **Friday 26<sup>th</sup> April**, please ensure your child hands in their letter to the school office before this date.

Yours Sincerely

Miss Sleep
