Headteacher - Debbie Sleep

27th March 2018

Dear Parents,

Next Thursday 4th April, the bus will leave **Cornhill at 2pm** to head off for the Year 4 overnight stay at Gloucester Climbing Warehouse. If parents wish to help their children carry their kit to the coach and wave them off, please arrive at the school office at **1.30pm**.

Children may come to school wearing non-school uniform in the morning to save them getting changed.

Once we arrive at Gloucester we will provide the children with a snack. A dinner of pizza and garlic bread at 5.30pm will be served at the Warehouse, **please let us know if your child has any specific dietary requirements**. The climbing activity will take place at 6.30pm for an hour and a half and at 8pm we will start settling down for the night. We will be up for breakfast at 8am and ready for more activities at 9am. We will return to school on the Friday 5th April ready for lunchtime as usual.

Those who wish to have a **school dinner on the Friday lunchtime**, please order on Thursday morning with your class teacher, alternatively parents may bring in a packed lunch for their child to the office on the Friday morning.

Your child will need to bring with them comfortable, loose clothing and suitable shoes (eg. trainers), a sleeping bag and pillow, roll mat to sleep on and an overnight kit (toothbrush, PJ's etc.) as per the kit list.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'D. Sleep', is written in a cursive style.

Miss Sleep
