

Stroud Valley Community School Newsletter

This term our topic in Diamond and Quartz class is 'Urban Pioneers'. We were most shocked when we came in and discovered somebody had drawn graffiti on our tables! It sparked a really good debate about whether graffiti is art or vandalism? (What do you think?) We had really varied answers which the children all backed up with solid justification. It will be interesting to see if our opinions stay the same throughout the topic.

We have started to look at famous street artists, and have enjoyed creating our own display of 'tags' in the classroom as well as doing painting to express ourselves to different kinds of music including hip-hop.
