

Stroud Valley Community School Newsletter

Inspired by our class book "Leon and the Place Between", Aventurine welcomed Five Valleys Circus into school for an afternoon of performance and practise. First, we were treated to a performance of tri hula hooping, balloon swallowing and sword juggling. Then, we had time to practise our own circus and illusion skills, such as crystal balls, flower sticks and club juggling. Finally, we learnt a hula hoop routine that we hope to perform at the end of the term.

"I was really proud of my juggling- it was great to practise with a professional"

	May
22nd	PTFA meeting 9am
	June
6th KS2	Sports day 1.30pm
7th KS1	Sports day 10.00am

LOST PROPERTY!

Once again, we seem to have accrued a large pile of lost property—lots of items of clothing including coats.

Lost property will be in the school canteen on Tuesday 23rd after school for you to collect.

Please ensure all uniform and coats are clearly labelled with your child's name.

Save the date!

This year's September Sizzle will be held on **23rd September**. This is our biggest fund raiser of the year and a fun filled afternoon for all. We need plenty of good quality books, toys, clothes and bric-a-brac for this event as well as items suitable for tombola prizes. Please can you bring any donations into school from now on so that we can get organised before the summer holidays. If you have any questions about the Sizzle and helping out please contact Katy, the PTFA secretary at: katylmb@googlemail.com
