## STROUD HEDGEHOG REPUBLIC

This term, Quartz class and year 5 have been working in partnership with Stroud Hedgehog Republic to learn about hedgehogs and how we can make a difference to the declining hedgehog population.

With the help of Gabriel and Tamsin, we carried out an experiment to answer the question: Do nests keep hedgehogs warm?

Once we had completed our experiment, with the help of our control hedgehog, Derrick, we needed to write up the scientific data that we found.

On Tuesday, we met Miss Rainbow and had the chance to paint a mural in support of the Hedgehog Republic project- what a creative bunch we are!
