GOODBYE

At the end of this term we shall be saying 'goodbye' to Angela Collins and Dawn Hebron who have both made the very sensible decision to retire. They have both played a valuable part in Stroud Valley over the years and will be missed.

Ben Wardle is leaving his regular class commitment due to increased hours with his university work. However Ben will continue to work covering teachers when required.

"My time at Stroud Valley began as a parent 31 years ago. I began volunteering in the classroom 25 years ago and became a midday supervisor and helped run a mother and toddler group before training as a teaching assistant. I would like to thank parents, staff and the children for making my time at Stroud Valley so happy, special and rewarding. A big thank you." Angela Collins.

"I've taught at Stroud Valley for 13 years and previous to that my children attended here so the school has been part of my life for 20 years. It was a difficult decision to make and I shall miss your children dreadfully. Thank you to all the parents who have 'lent' me their children. It was an honour and a pleasure." Dawn Hebron.
