YEAR 6 RESIDENTIAL 2018

Monday 21st May -the date of the much anticipated Year 6 residential . The children excitedly waved goodbye to their parents as the coach set off for Devon - I have to say the parents looked a mixture of anxious to be parted from their darlings and delight at the prospect of a bit of peace and quiet!

The weather was beautiful all week and the children were busy from dawn to dusk. The activities were varied and included: archery, ice skating, new kurling, roller skating, dodgeball, go-karting, cricket, rounders, swimming and water slides, t-shirt making, adventure golf and much more. The children were fantastic, some were a little homesick, but everyone tried something new - whether it was food or a new activity. It was wonderful to see the children enjoying themselves out of the school environment.

We all came back exhausted but full of stories and some great memories.

15th	September Sizzle

DATES FOR PTFA
 CLASS CAKE SALES

22nd June—Amber
 6th July—Amethyst
 20th July— EYFS

MRS BYRNES

Many of you will remember the lovely Suzanne Byrnes who created and led the development of Forest School here as well as in her role as a KS1 teaching assistant.

Mrs Byrnes has been away from school for the last two years as she was fighting her battle with cancer.

Sadly she has passed away peacefully in her sleep this week. We will always remember her energy and dedication to the school with fond memories and feel very privileged to have worked alongside her.

 PTFA

Many thanks to everyone who has been supporting the cake sales over the last few weeks. We are sure that the classes involved so far have really appreciated the extra money to spend on resources.

We intend to do another lolly and ice-cream sale after school on Friday 15th June if the weather is sunny.

A last reminder that the next meeting is on Friday 15th June at 1.30 in Black Book Café. Everyone welcome.

BOOKS2AFRICA

As we have replenished a lot of our old stock of books for the school library, we are donating boxes of ones we no longer use to schools in Africa. There is a cost incurred for doing this (shipping, courier, etc.) and if anyone would like to contribute to the cost—any donation—would be gratefully received.
