Dear Parents,

Following our recent parent survey, the issue of communication was raised by a number of families.

We have now signed up to an online portal called ParentMail. This has proven to be successful in other schools known to us.

Through a free mobile app you will receive copy of letters and texts sent out from the school. Over the next few days you will receive either an email or text from ParentMail. When you receive this simply follow the instructions in the message.

Please be assured that ParentMail is registered with the Information Commissioner and guarantees that all information you provide will be kept private and will not be passed on to any other organisation.

Next week we are going to be trained on the system from the school side and we will send out further information about how it all works next week.

Once registered, if you have an Android or Apple smartphone or tablet, download the ParentMail App. To do this, simply search for "ParentMail" in your App store.

If you need any additional information or assistance, please visit the help site:
www.parentmail.co.uk/help/parenthelp/.

Yours sincerely
