

Christmas gifts on Friday 14th December

Our very talented parents have been busy elves over the past few weeks working hard to create some beautiful gifts for you this Christmas.

This Friday (during the school day) your children will all have the opportunity to purchase ONE gift each for a family member or loved one. They can choose from a beautiful selection of very special, handmade items.

Please send your child in with some coins on Friday 14th December. They can give any amount between 30p - £1, all money goes back into the school so do give what you can, and your kids get to enjoy buying something truly lovely for you!

All KS1 children also have the chance to visit Father Christmas on Friday, for this they'll need £1.

Plus, there's the After School Christmas Fair at pick up time, so lots more there to enjoy too!

Ho Ho ho, Merry Christmas! Thank you for all your support.
