

Dear Mums, Dads and Carers.

On **Thursday 13th February** we will be having a low key assembly.

We will be story-telling, singing softly and performing dance.

We will be in the hall from **2.00pm** if you would like to join us. Then there will be a chance to look at your child's work and displays before you take the children home.

Yours Karen Golding and Mari Stening
