

Dear Parents and Carers,

This term we are supporting the charity Kidstuff. They are a group of people who need small toys and treats to make up small Christmas stockings for children. This will be our reverse advent calendar.

We have decided to make this link because we have been looking at and finding out about toys. We realise we are lucky.

We will hear from a local Granny who was alive during the war and find out about stockings in the past, very different to today.

If you could support us by sending in a nearly new toy, colouring pencils etc or small sweets we would be grateful.

Yours Mrs Stening and Karen Golding
