Dear Parents,

Consent for filming request

Emerald Class are fortunate enough to be participating in a twelve week mindfulness project, 'Paws B', with Alice Lowrie. The children are learning all about the brain, making choices and mindfulness. We are proud to be working with Miss Lowrie: as a school we take mental health and wellbeing very seriously. The children have all participated and are really enjoying these sessions.

The Barnwood Trust are making a short film about Alice and her career and would like to film her teaching a session to the children of Emerald Class and we require your consent for your child to appear in the film. Attached is a comprehensive letter explaining what the trust are doing and answering any questions you may have about your child being filmed. **Please complete and return the consent form by Thursday 22nd January 2020.**

Please be assured that no individual child will be identified in the film.

If you have any questions regarding the filming please don't hesitate to contact me. We hope as many children as possible are able to participate .
