10th February 2020

Dear Parents,

We have often been asked in the past about an overnight stay for the Year 4s to give them the experience of being away from home before the three-night Year 5 residential.

We are going to offer the same as last year: an overnight stay at the Warehouse Climbing Centre in Gloucester which we believe is good value for money and not too far for the children's first overnight experience.

We are aiming to arrive in Gloucester at 3pm on **Tuesday 28th April** and have a dinner of pizza and garlic bread at 5.30pm. **Please let us know if your child has any specific dietary requirements.** The climbing activity will take place at 6.30pm for an hour and a half and at 8pm we will start settling down for the night. We will be up for breakfast at 8am and ready for more activities at 9am. We will return to school on the Wednesday 29th April ready for lunchtime as usual.

The total cost of this visit is £35.00 per child, to cover coach fare, climbing activities, dinner, overnight stay and breakfast.

Please see the kit list overleaf.

Please return the slip, with the money by **Tuesday 31st March.**

Yours sincerely,
Miss Sleep
