Headteacher - Debbie Sleep

2nd December 2019

Dear Parents / Carers,

As part of our involvement in the Hedgehog Republic, we are planning on taking the children to the site of some of the local video cameras in-situ that are being used to capture all the night time wildlife excitement.

This is just for your information and will take place during the school day, this Friday 6th December.

Many Thanks

Sarah Heague & Hannah Nesbitt
