SPORT RELIEF 2020

On Thursday, across the school children took part in Sport Relief activities. Every hour the children had five minutes to undertake as many sets of an activity as they could. The children loved competing against each other and recording their scores.

"It was great being able to do different exercises every hour and knowing the money will be donated to charity."

"My scores got better each hour, by the end of the day I was doing the activity for the full time limit."

Meanwhile, Amethyst and Amber class took part in a sponsored walk up to Rodborough fort and around the common—they walked about 4.9 miles and had a fabulous day.

Thank you to everyone who donated, we will let you know how much we raised!

18th	Y6 Depart for Residential
21st	Y6 Return from Residential
22nd	Last day of Term 5
25th-29th	Half Term
June	
1st	Start of Term 6

CORONAVIRUS

Please be assured that as soon as we are informed by the Local Authority or Government about the Coronavirus, updates will be passed on to you immediately through our text service.

School closures: as part of [official guidance](#), the DfE is still advising schools to stay open.

Please reassure your children that we can help keep this under control by

MOST IMPORTANTLY - WASHING YOUR HANDS FOR AT LEAST 20 SECONDS.

Throughout the day, at regular intervals, everyone is washing their hands for the recommended 20 seconds.

Helpful links for you are as follows:

NHS111 Online
<https://111.nhs.uk/>

Current 111 advice:

If your child has either a high temperature or a new continuous cough and they feel well enough to carry on with most of your daily activities - 111 advise to stay away from other people for at least the next 7 days, or until your symptoms have gone. Stay at least 2 metres (about 3 steps) away from people if you can and to protect others, **do not go** to a GP, pharmacy or Hospital. You should remain at home until 7 days after your symptoms started. After 7 days, if you feel better and no longer have a high temperature, you can go back to doing what you would normally do.

Water bottles:

As part of our practice, children have access to water throughout the day. At this time we are asking you to provide a separate water bottle for your child which will be sent home daily for you to wash and return.

Message from PTFA

Easter Egg Decorating Competition

Check book bags for entry sheets this week. All entries need to be handed into the office with the 50p entry fee attached by Wednesday 25th March. Have fun and good luck!

Easter Fundraiser

Join us in the school hall from 3PM on Friday 27th March for some Easter fun. There'll be a massive Easter egg tombola, raffle, cake sale, soft toy tombola and uniform sale. Egg Decorating Competition winners will also be announced and on display.

Chocolate Egg Donations

Keep the donations coming into the office to earn extra playtime. Soft toy donations are also welcome. Thank you!
