MUSEUM IN THE PARK

This Wednesday Amethyst class went to the Museum in the Park. We went to find out what toys were like in the past. We found there were no electronic toys. We learnt to play a game with sticks, handled old gloves wearing super soft gloves and played old fashioned games in the yard.

RUGBY TOURNAMENT

On Wednesday Diamond, Quartz and Ruby class spent the morning at Stratford Court taking part in a Stroud Valley Rugby Tournament. The children were split into 10 world cup countries and played a series of tag rugby games. The children were all fantastic and showed great sportsmanship.

It was a close final with Japan V Scotland having to go into extra time to determine a winner. Thank you to all the parents who came down to support.

1st place: Scotland
2nd place: Japan
3rd place: Samoa

CHRISTMAS CARD DESIGNS

This year the PTFA have once again set up an opportunity for you to get your children's Christmas card designs printed. This has been a real success the last two years and raised lots of money for school funds.

All children should have come home with their Christmas card design this week and an order form. **Please return these to school with the design by next Friday so that we have time to get them printed.** If your child would like to do another design (or if they have a sibling who would like to do one) there will be spare sheets for these in the school office. Please ask a member of the PTFA if you have any questions.

The Christmas craft fair will take place this year on Saturday 14th December. Please save the date! This is a great opportunity to get your Christmas shopping done and to support our school. If you know someone who would like to have a stall at the event please speak to a member of the PTFA for more information.
