

Dear Parents & Carers,

## Canal walk Wednesday 9<sup>th</sup> September

As part of our introduction to our class topic 'Canals' we are planning to take the children on a walk which will start at Capel's Mill. We will complete the walk during the usual school hours. Please can you send your child in with a packed lunch, coat and a water bottle; if your child receives a free school meal we will provide one as we usually do.

Our risk assessment is thorough and considers social distancing measures for both the children and adults.

Many Thanks

Sarah Heague
