

STROUD VALLEY PRIMARY SCHOOL UNIFORM

We believe that wearing a school uniform helps children to concentrate, behave well and to feel part of the school family. It has a positive effect on their learning.

Uniform with the Stroud Valley logo on can be purchased via the website www.myclothing.com or from **Batemans Sports** shop in Stroud.

During lockdown we appreciated there were difficulties sourcing uniform and so a more relaxed approach was necessary. Moving forward next year please can you ensure your child comes to school wearing school uniform. New term, new start!

- School uniform comprises: Grey or black skirt, trousers, shorts or pinafore (not jeans). White or green polo shirt. Green sweatshirt, jumper or cardigan. Green and white checked dress - for summer. Black or brown sensible shoes - it's hard, and dangerous, to skip in heels! Please make sure your child can fasten their own shoes. **(no trainers)**
- PE kit comprises: Pair of shorts or jogging bottoms, plain coloured T-shirt to match your child's PE house (Red, Blue, Green or Yellow), Black plimsolls (EYFS/Key Stage One), Trainers (Key Stage Two), PE bag - find something unusual or customise your child's bag so they can find it easily. Children in the juniors are to wear a white or green t-shirt rather than their house colour.
- Jewellery is not allowed. If your child has pierced ears they should wear studs in school and will need to take them out themselves for swimming and PE.
- We also have a supply of good second-hand uniform - please email the office.

Many thanks for your cooperation.

P.E.
