

## **Relationships and Sex Education**

We use the RSE primary scheme of work which is written by the Gloucestershire Healthy Living and Learning team.

This document outlines the objectives that each class will cover during the year.

Our RSE policy is available to view through our website.

If you would like any further information or clarification about the content of the RSE curriculum, please call the school office and we will arrange for the appropriate member of staff to contact you.

### **Year Two children will be taught about:**

#### **Changes**

- to consider ways, they have changed physically since they were born
- to consider physical changes that will take place as they move from childhood to adult hood
- to consider their responsibilities now and compare these to when they were younger
- to understand the choices, they are able to make in order to keep themselves healthy
- 

#### **Where Babies Come From**

- to understand that all living things originate from other living things
- to understand that humans produce babies that grow into children and then into adults
- 

#### **Similarities and Differences**

- to recognise the main external parts of the bodies of humans including agreed names for reproductive organs
