

Pupil Premium Expenditure Breakdown 2023/2024

Total Received	£119,245		
Area of Expenditure	Cost	Summary of intervention	Review
Pupil Premium Lead	£98,400 this is the total of all staffing costs.	1-1 daily intervention to support children identified as requiring pre-teaching / additional sessions to support them in learning how to read.	Continued focus support for all and specifically disadvantaged children.
Teaching Assistant Support for phonics			
Teachers released to work with children on a 1-1 basis		One afternoon per week, teachers work alongside children on a one to one basis to discuss their work and progress.	Marking and feedback on a 1-1 basis continues to have positive outcomes for children.
Small group comprehension and maths sessions to support identified pupils to close the gaps in their learning	Staffing costs	Children work in small groups after school to support them in improving their English & maths skills and break down any barriers to learning in these subject areas.	PP lead monitor and review on a termly basis. Observe sessions and gain pupil voice as to impact.
Daily Reading Support	£6,743	TA's hear children read to support their reading skills, fluency and to become independent readers.	Teacher monitoring and providing training. Successful and will be continuing.
After school small group sessions	No Cost	Children in year five and six work in small groups after school to support them in improving their English & maths skills and break down any barriers to learning in these subject areas.	Pupil progress meetings identify children with gaps in their learning. Where this happens small group sessions will continue to be offered.

Breakfast Club & After School Care	£850	Supports attendance /social skills & peer interactions.	Ongoing consultation with families related to needs
Play Therapy	£800	Support for children who have experienced significant life events within the family setting.	Play therapist to continue this beneficial support.
Book Purchases linked to phonics to support under attaining children	£1005	Books purchased to broaden the range of books available for all children to read in class libraries.	Range of books available for children are audited each year by reading lead.
Pastoral Lead	Staffing costs	Small group work or 1-1 for children showing signs of behavioural, social or emotional difficulties which aims to support children to help manage their own behaviour, build relationships and develop emotional strategies.	Continued support across both key stages with specific children and their families.
Professional Development for Teaching assistants	Staffing costs	TA training using and Engage I do we do you do.	Ongoing when necessary.
Early talk boost & talk boost	Staffing costs	Small groups working on all aspects of communication to boost delayed language and sound awareness.	Children are making progress with their speech and language.
