

Stroud Valley Community School

1ST July 2024

Dear Parents/Carers,

After much effort and hardwork the children in Diamond Class are delighted to have achieved our Dojo target of 2025!

They have chosen a "chilled afternoon" as their reward on **Thursday 11th July** where they will enjoy a choice of playing board games, den building, extra outdoor play, ICT time and a film and popcorn.

Children may come into school in **PE kit** as we have a tennis lesson in the morning and bring **pyjamas/onsies to change into** with trainers/school shoes on Thursday morning and may bring:-

- **1 teddy/cuddly toy, if they wish**
- **1 blanket/drape/piece of fabric to build a den**
- **1 game to play (boardgame or small electronic game) - nothing of any value, please**

Many thanks,

Mrs Fathers
