Year 6 Leavers!

Wow, what an incredible show!
The children worked so well as a team to bring their amazing production together so quickly. We had super props made especially for the show & staging it at the Cotswold Playhouse really showed it off with all the lighting and sound effects. A very big thank you to all the people that helped make it possible & gave up so much of their time and to the parents for their support.

There is a link if you wish to watch the production.

"Matilda was such a fun experience, everyone was so amazing, even though we had very little time. We were very nervous, but in the end it went amazingly well. I will never forget it." Phoebe

"It was really exciting doing the Year 6 production. I loved every moment and especially the times when Esme accidentally set off the siren on the megaphone!" Faye

"It was amazing, being Miss Trunchball was the best and I wasn't scared at all. I've found out that I love acting. I hope everyone watching the production enjoyed it, I know I did." Esme
