The meeting notes will be uploaded to the school website shortly.

Our amazing Chairperson, Fiona, will be stepping down in the new year.
For the PTFA to continue it's incredible fundraising efforts we are seeking a new Chairperson to take over the role.

If you are interested, or have any questions regarding the role, please contact Reception or email stroudvalleyptfa@gmail.com

Think Pharmacy First

Boots pharmacy is offering the NHS Pharmacy First service which allows pharmacists to provide advice and where appropriate, supply NHS medicines for the following conditions :

- Earache (aged 1 to 17 years)
- Impetigo (aged 1 year and over)
- Infected insect bites (aged 1 year and over)
- Shingles (aged 18 years and over)
- Sinusitis (aged 12 years and over)
- Sore throats (aged 5 years and over)
- Urinary tract infections (UTIs) in women (aged 16 to 64 years)

If you or your child has symptoms that suggest you or they may have one of these conditions, you can walk into a pharmacy and be offered a consultation with a pharmacist in a private consultation room.
