

Stroud Valley Community School Newsletter

We'd like to say a **HUGE** thankyou to our wonderful PTFA who have been focussed on supporting our wish to make playtimes even better for our children.

All the money raised from the many events over the past few years have been contributing to the pot of money needed to make this a reality.

Thank you to everyone who has supported these events Thank you also to our governors who have backed us all the way...

The children are thrilled and so are we!

Our Brand New Playground!

The new playground is finally here!!! The wonderful weather has meant that the children have been able to make the most of the new play area. The PTFA just want to say a huge THANK YOU to every person who attended an event, donated money and volunteered.

The PTFA can only fundraise with the support of the school community, and we are so happy that we have been able to raise enough for such a wonderful area for the current and future children of SVCS to enjoy!

Ruby Cake Sale today!

Don't forget, it's the Ruby Cake Sale today, selling yummy cakes, ice lollies and fidget toys!

Pitt Rivers Museum Trip

Quartz class had a fascinating day in Oxford visiting the Pitt Rivers Museum on Tuesday. After a fun coach ride, we explored the museum's Benin and Africa collections. We were looking for symbols of the Oba's power which included thrones, weaponry, leopards and crocodiles. After our workshop, we had time to discover and sketch the rest of the collection. The highlights were samurai armour and swords, a totem pole and an ancient Egyptian sarcophagus.

VE Day Celebrations

As part of the VE Day 80th celebrations we are having a whole school event on Friday 9th May.

It would be good to see all the children come to school on this day dressed as evacuees, in clothes representative of the era. If unsure please talk to your class teacher. Please don't buy anything!

We are also looking for people from the community who may have stories or memories from this era to share with the children. Please get in touch via the school email if you can help.
