The Year Six Residential

Before half term the year sixes went on a residential trip to Ashbury Manor in Devon for three nights. They had a wonderful time and wrote the following about their time away:

"We had a very enjoyable journey to Devon full of excitement and Vinny's karaoke. When we were there we did lots of activities, some of our favourites were swimming and water slides, candle making, curling, playing football and messing about in the field and fun house. All of the meals we had were amazing, especially dessert! The ride back was fun until we had a two hour delay... Overall it was a really great experience that we will remember forever!"
